SIDNEY 112B

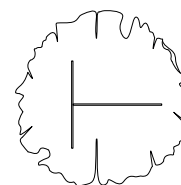

DESCRIZIONE PRODOTTO / PRODUCT DESCRIPTION

Il tavolino Sidney di BizzottoItalia combina natura e design. La superficie in legno di radica naturale e le moderne gambe in vetro bronze, creano un pezzo unico e sofisticato. Uno stile perfetto per un soggiorno moderno o come proposta di design per caratterizzare un ambiente di accoglienza, una sala d'attesa o una zona relax.

The Sidney coffee table by BizzottoItalia combines nature and design. The surface in natural root wood and the modern bronze glass legs create a unique and sophisticated piece. This style is perfect for a modern living room or as a design proposal to characterize a reception area, waiting room, or relaxation zone.
