Il tavolino laterale Infinity, con top rotondo, è disponibile in diverse finiture pregiate, tra cui: vetro color bronzo, Marmo naturale, Gress porcellanato effetto marmo, Legno Erable, Thai wood, un'essenza speciale firmata BizzottoItalia che richiama l'effetto gessato del tessuto. Le gambe in metallo conferiscono slancio visivo e sono valorizzate da finiture a contrasto in oro 24 carati o acciaio cromato. Questo tavolino rappresenta un complemento d'arredo versatile e sofisticato, perfetto per ambienti contemporanei dove stile e qualità Made in Italy sono protagonisti

The Infinity side table by BizzottoItalia embodies the perfect harmony between refined elegance and essential design. Its distinctive triad-shaped metal leg serves as the guiding motif of the collection, which includes various living room models featuring different bases and heights. The round-top Infinity side table is available in a selection of exquisite finishes, including: bronze-colored glass, natural marble, marble-effect ceramic, Erable wood, and Thai wood, a special essence created by BizzottoItalia that evokes the textured look of chalk-striped fabric. The metal legs lend visual momentum and are enriched with contrasting finishes in either 24-carat gold or chrome-plated steel. A versatile and sophisticated piece of furniture, this table is ideal for contemporary interiors where style and Made in Italy quality take center stage.
