IKAT 986

DESCRIZIONE PRODOTTO / PRODUCT DESCRIPTION

La madia Ikat firmata BizzottoItalia si distingue per le sue forme morbide e armoniosamente arrotondate, che ne esaltano il carattere prezioso e decorativo. I quattro lati sono scanditi da tondini simmetrici con elegante finitura metallica. Le ante in vetro amplificano la percezione di leggerezza e trasparenza, rendendo il design ancora più sofisticato. Il top è disponibile nella versione laccata, in tono con la struttura, oppure nelle essenze "Flamme blu notte" e "Terra bruna": superfici in legno fiammato dai toni sfumati e dall'effetto pittorico. Una proposta d'arredo dal gusto new classic, disponibile in diverse dimensioni per adattarsi con stile e versatilità a qualsiasi progetto.

The Ikat sideboard by BizzottoItalia stands out for its soft, harmoniously rounded forms that highlight its precious and decorative character. All four sides are accented with symmetrical rods featuring a refined metallic finish. Glass doors enhance the sense of lightness and transparency, adding a sophisticated touch to the overall design. The top is available in a lacquered finish, matched with the structure, or in the "Flamme Blu Notte" and "Terra Bruna" wood veneers—flamed surfaces with gradient tones and a painterly effect. A furnishing piece with a new classic style, offered in various sizes to adapt with elegance and versatility to any design project.
