DESCRIZIONE PRODOTTO / PRODUCT DESCRIPTION

Piegare il metallo come un origami di carta. È questa l'ispirazione delle Noshi Lamps by BizzottoItalia, elementi che nascono, come d'incanto, dal lavoro di mani sapienti, custodi di un'arte millenaria.

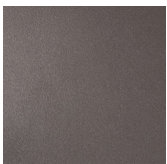

Metal folded like a paper origami creation: this was the idea that inspired Noshi Lamps by BizzottoItalia, elements created almost like magic by expert hands, custodians of an age-old art.
