DESCRIZIONE PRODOTTO / PRODUCT DESCRIPTION

La madia Amulet di BizzottoItalia interpreta lo stile moderno con essenzialità ed eleganza. Proposta in una raffinata finitura bicolore, dona carattere e originalità a ogni ambiente. Le gambe in metallo, leggere come nastri di seta, slanciano la struttura e ne enfatizzano le geometrie. Verniciate a polvere, sono disponibili in tre sofisticate tonalità: ottone, rame e titanio, per un effetto di delicato contrasto con le superfici laccate. Il gioco visivo tra le ante e la scocca è impreziosito da incisioni geometriche che animano la superficie frontale con eleganza e dinamismo. Su richiesta, il top in Gress effetto marmo aggiunge un ulteriore tocco di prestigio, trasformando Amulet in un complemento d'arredo esclusivo e contemporaneo.

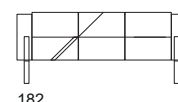

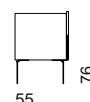

The Amulet sideboard by BizzottoItalia embodies modern design with refined simplicity and elegance. Presented in a sophisticated two-tone finish, it brings character and originality to any interior.

Its metal legs, light as silk ribbons, give the structure a graceful lift and accentuate its geometric lines. Powder-coated and available in three elegant shades: brass, copper, and titanium, they create a subtle contrast with the lacquered surfaces, enhancing their visual richness.

The interplay between the doors and the frame is further enriched by geometric engravings, adding elegance and dynamism to the front surface. Upon request, a marble-effect Ceramic top is available, offering an extra touch of prestige and turning Amulet into an exclusive and contemporary furnishing piece.
