DESCRIZIONE PRODOTTO / PRODUCT DESCRIPTION

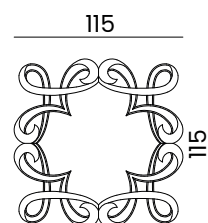

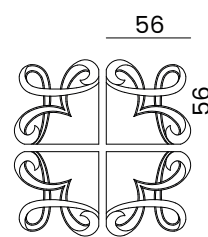

Aura, la specchiera classica firmata Bizzottoitalia, presenta forme fluttuanti che richiamano il movimento invisibile dell'aria, trasformandolo in arte.

È disponibile in due versioni standard: con specchio unico oppure con quattro pannelli specchianti, adattandosi con raffinatezza a diversi contesti d'arredo. La cornice, intagliata con maestria, è decorata da riccioli e nastri che si intrecciano come leggere folate di vento, accarezzando le pareti in un perfetto equilibrio tra simmetria e fluidità. Le finiture, monocromatiche o bicolore, possono includere dettagli in foglia oro o argento, creando suggestivi contrasti e giochi di tridimensionalità.

La specchiera classica Aura si rivela così il complemento d'arredo ideale per dare movimento, eleganza e armonia a ogni parete.

Aura, the classic mirror by Bizzottoitalia, features flowing shapes that evoke the invisible movement of air, transforming it into art. It is available in two standard versions: with a single mirror or with four mirrored panels, adapting gracefully to various interior settings.

The frame, masterfully carved, is adorned with curls and ribbons that intertwine like gentle gusts of wind, caressing the walls in a perfect balance of symmetry and fluidity. The finishes, either monochromatic or two-tone, may include gold or silver leaf details, creating striking contrasts and a sense of three-dimensionality. The classic Aura mirror thus becomes the ideal decorative furnishing to bring movement, elegance, and harmony to any wall.
