PENELOPE 464

DESCRIZIONE PRODOTTO / PRODUCT DESCRIPTION

Il letto classico Penelope esprime un fascino regale grazie all'elegante testiera imbottita in pelle o tessuto, impreziosita da bottonature a contrasto oppure tono su tono, rivestite con lo stesso materiale della testata. A completare la composizione, una raffinata cornice superiore in legno intagliato con volute ornamentali dona un tocco decorativo di grande pregio. Il sommier, perfettamente coordinato con la testiera, poggia su gambe scolpite dallo stile neoclassico, conferendo alla struttura un'eleganza senza tempo. I contrasti sofisticati tra materiali e finiture lo rendono ideale per ambienti lussuosi che celebrano l'opulenza e la tradizione. Pensato per camere padronali dal gusto aristocratico, questo letto matrimoniale racconta, in ogni dettaglio, una storia di stile e raffinatezza. Al tempo stesso, la sua presenza scenica lo rende perfetto anche in contesti notte più minimalisti, trasformandosi per contrasto nel punto focale dell'arredo.

The classic Penelope bed exudes regal charm thanks to its elegant headboard upholstered in leather or fabric, enhanced by contrasting or tone-on-tone button tufting, covered in the same material as the headboard itself. Completing the composition, a refined carved wooden top frame with ornamental scrollwork adds a highly decorative touch. The coordinated base rests on sculpted legs in neoclassical style, lending the structure a timeless elegance. Sophisticated contrasts between materials and finishes make it ideal for luxurious interiors that celebrate opulence and tradition.

Designed for master bedrooms with aristocratic flair, this double bed tells a story of style and refinement in every detail. At the same time, its scenic presence makes it perfect for more minimalist night settings, where it becomes the focal point of the décor through contrast.
